CP PLUS Honored with 'Best Electronics Security Company'

CP PLUS, a global leader in advanced security & surveillance solutions, has recently awarded as the "Best Electronics Security Company" of 2019 at the 18th edition of VARINDIA Star Nite Awards (SNA). This annual IT event was commenced at Hotel Shangri-La, New Delhi, on 15th November 2019. Nominated by the VARs and partners, the award recognizes and celebrates brand's competencies in technology, innovation, marketing capabilities, post-sales support etc.

"It's an honour to receive such an esteemed award and it is really important for us. We thank all partners and vendors to choose us as the best brand. We are also thankful to VARINDIA, board members, and the management who showed trust in us. As a brand, CP PLUS had an enriching journey of growth & development with continual innovation," expressed Yogesh B. Dutta, COO, CP PLUS.

Many IT corporates, VAR fraternity, and industry leaders from across the country were present at the event. There were various interesting and knowledge-based sessions such as Experts Speech, Supersession and Tech-Talk.

CP PLUS has been a pioneer in electronic surveillance & security solutions. The brand offers a complete portfolio of advanced surveillance products and systems for a wide range of applications in different verticals. Its integrated and intelligent solutions are used in government buildings, infrastructure projects, defence locations, transportation, hotels & hospitals, educational institutions, homes, and other areas. Further, CP PLUS has made crucial investments for the protection of society.
