V21A - 2MP Wi-Fi Camera

NOW

1080P Full HD Video

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

Easy to Connect

This Ezykam+ by CP PLUS does not even require installation hassles and you can easily place it on a mount, plug it in, connect to the Wi-Fi and you are good to go.

Motion Detection Alerts

This camera detects movements in the video frame and send alerts in real-time to always keep you notified about what's happening at home.

Human Body Detection

Designed to provide human detection and intelligent alerts, which means only being alerted only when the need occurs as the camera detects people as opposed to animals, passing vehicles, or other inanimate moving objects.

Privacy Mode On

Privacy Mode Off

Privacy Mode

Using privacy mode, you can block the camera view & recording of a specific area of your choice to maintain privacy.

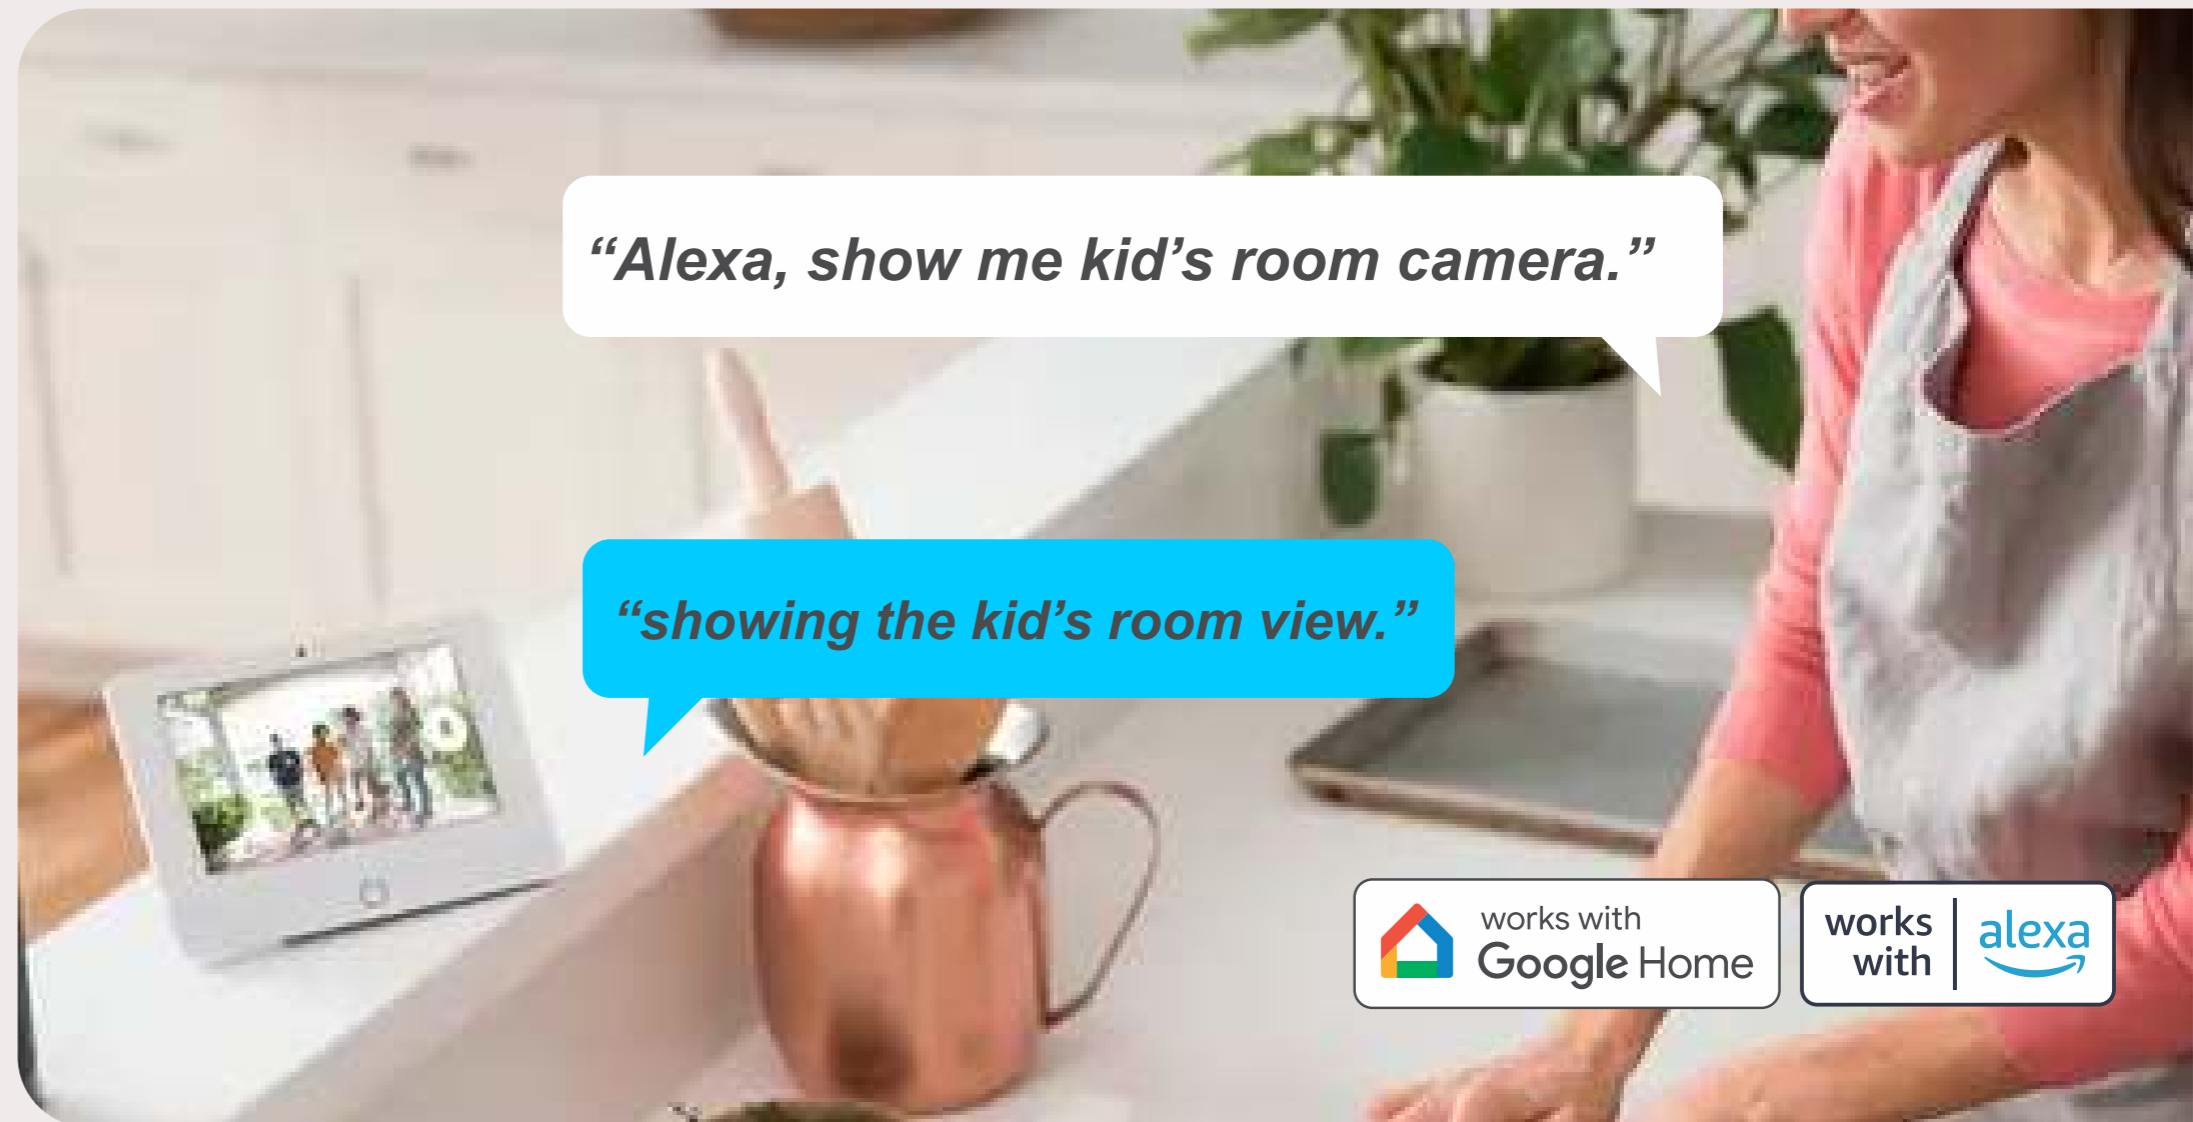

View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

Alexa and Google Supported

Works with Alexa & Google Home so you can go hands-free and command the camera with your voice while enjoying the safety of a smart home.

Specification - V21A

Feature	Specifications
Image Sensor	1/2.7" CMOS sensor (0.9407cm)
Compression	H.264/ H.265
Resolution	1920 x 1080
Minimum Illumination	0.01Lux
IR cut filter	Supported
Viewing Angle	(D): 102°/ (H): 86°/ (V): 47°
Frame Rate	20fps
Mirror/Flip	Supported
Stream	Dual Streaming
Lens	4mm lens
Audio	Two Way Audio
Audio Input	Supported (Built in Mic)
Audio Output	Supported (Speaker)
Recording Method	Event recording/Continuous recording
Wireless Standard	IEEE 802.11b/g/n
Wireless Frequency	2.4~2.4835GHz
Wireless Security	WEP, WPA
Protocol	TCP/IP

Feature	Specifications
Antennas	Built-in FPC antenna
Antenna gain	2~3db
Work with Alexa	Supported
Work with Google Home	Supported
Reset Button	Supported
IR Distance	IR up to 15 Mtr.
SD Card	Supported (up to 128GB) SD Card not included
Motion Detection	Supported
Configurable Region	Supported
Private Mode	Supported
Weatherproof Standard	IP66
Notification Method	Mobile phone push
Power Supply	5V, 1A
Power Consumption	5W
Casing	ABS+PC
Working Temperature	-10°C ~ 50°C
Dimensions	157 x 70 x 70mm
Net Weight	224g
