

CP PLUS Proud to be Assisting the G20 Summit India with Smart Electronic Surveillance Solution

The image is a promotional graphic for CP PLUS. It features a light blue background with a faint world map. The CP PLUS logo, consisting of a stylized 'X' symbol and the text 'CP PLUS' in red, is prominently displayed. Below it, the text 'Proud To Be Assisting The' is followed by the G20 logo, which includes a globe and the text 'G20' in green and orange, and 'भारत 2023 INDIA' in Hindi and English. Further down, it says 'with Smart Electronic Surveillance Solution'. At the bottom left, it states 'WORLD'S LARGEST CCTV Manufacturing Facility*' and 'PROUDLY MAKING INDIA' in green and orange. On the right side, there is a vertical blue pole with a white security camera mounted on it. Below the camera is a yellow warning sign with a black camera icon and the text 'Smile You're CCTV'. The CP PLUS logo is also visible on the sign. At the bottom right of the pole, there is a small vertical text 'Singapore, India, China'.

CP PLUS, a leading global provider of advanced security and surveillance solutions, is delighted to announce its successful participation in securing the prestigious G20 Summit Meetings held in New Delhi, India. As the trusted security partner for this high-profile event, CP PLUS demonstrated its unwavering commitment to safeguarding global leaders, delegates, and the host country.

The G20 Summit, a gathering of the world's most influential leaders and policymakers, is an event of immense significance, and security is of paramount importance. CP PLUS was chosen as the security solutions provider for this historic event due to its proven track record, leading-edge technology, and expertise in ensuring the safety and security of critical environments.

CP PLUS deployed state-of-the-art surveillance cameras, facial recognition technology, and access control systems at key venues across the city to provide comprehensive security coverage. These technologies play a crucial role in identifying and managing potential security threats.

CP PLUS customized security solutions to meet the unique needs of the G20 Summit, ensuring that security measures were both effective and unobtrusive. This helped in integrating the brand's security solutions seamlessly with the existing security infrastructure of New Delhi, enabling a unified and efficient security system for the duration of the summit.

Mr. Aditya Khemka, Managing Director of CP PLUS (Aditya Group), expressed his pride in the company's successful involvement in securing the G20 Summit Meetings, stating, "We are honored to have been entrusted with the responsibility of securing this prestigious international event. CP PLUS has always been committed to innovation and excellence in security solutions, and our participation in the G20 Meet is a testament to our dedication to safeguarding global events of the highest significance."

CP PLUS's involvement in securing the G20 Summit Meetings underscores its position as a global leader in the security industry. The company continues to provide leading-edge security solutions to protect critical infrastructure, public spaces, and events worldwide.
