

Lion on the Move again, CP PLUS wins the Innovative Security Product of the Year Award while its founder, Mr. Aditya Khemka has been recognized as the Security Man of the Year by Business World Security Conclave

CP PLUS is a globally recognized leader in providing innovative technology solutions for energy management and security. With a strong commitment to excellence, CP PLUS has been empowering businesses and individuals with cutting-edge solutions to enhance efficiency, safety, and convenience at millions of locations across the globe.

Recognizing the years of hard work that made CP PLUS, not just a pioneering leader in cutting-edge technology solutions but a household name, the Business World Security Conclave accoladed the brand and its founder with two more of the most eminent acknowledgments.

CP PLUS and visionary leader Mr. Aditya Khemka have been awarded the prestigious titles of "Innovative Security Product of the Year" for its indigenized product line, ViDu, and "Security Man of the Year" for single-handedly transforming the Indian surveillance industry. Receiving these awards reaffirms the brand's commitment to excellence and innovation in the field of security.

CP PLUS was honored with the "Innovative Security Product of the Year" award for its groundbreaking advancements in security technology. The company's cutting-edge solutions

have redefined the way organizations approach security, offering innovative features and unmatched reliability.

In addition to its product accolade, the brand proudly received the "Security Man of the Year" award. This recognition celebrates the exceptional leadership and contributions of Mr. Aditya Khemka for playing a pivotal role in shaping the security landscape in India and many parts of Asia.

"We owe these awards to our exceptional team of security professionals who work tirelessly to ensure the safety and protection of our clients," remarked Mr. Aditya Khemka, Managing Director, CP PLUS.

The awards were presented at the Business World Security Conclave, a prestigious event that gathers industry leaders, innovators, and experts to celebrate excellence in security solutions.
